

Terms and Conditions

Drivers

Only drivers aged between 21-65 years and approved by the company and whose details have been recorded on the rental agreement are permitted to drive the vehicles. All drivers must have held a full driving license for at least one year. Certain endorsements are accepted at our discretion.

Insurance Requirements

All vehicles are covered for Third Party risks. All customers are responsible for the first £500 of any claim. The Hirer is liable for any overhead damage howsoever caused. Own insurance policies are accepted as long as a fully comprehensive cover note for the hired vehicle is in our possession.

Vehicle Loading

Hirers are responsible for ensuring that rented vehicles are not overloaded. Current regulations impose severe penalties for loading a vehicle in excess of its maximum seating or payload.

Mileage

Unlimited mileage is at the sole discretion of the company and in all cases is limited to a maximum of 2000 miles per week.

Daily Maintenance

Although the company's rates include maintenance and oil, the Hirer is responsible for the daily checking of oil and water levels and tyre pressure during the rental period.

Breakdown

In the event of a breakdown please contact the AA on the emergency Freephone number which is attached to the windscreen of all vehicles.

Deposit

Credit Card details or other form of security must be supplied at time of rental.

Payment

Estimated cost of rental together with deposit is required at commencement of rental. Payment by cash or cheque with cheque card, Mastercard or Visa.

Availability

Whilst every effort will be made to supply the model requested, in the event of it being unavailable an alternative model will be provided.
